

## DURANTS #106 - LOT #2-UNDER OFFER

Barbados

A wonderful relatively new 16 lot residential development located in the high demand area of Durants. The lots range in size from 8,831 sq. ft. to 16,493 sq. ft. with the land generally being flat throughout. Nine of the lots are conveniently accessed via a cul dec sac in Durants Fairways, while the other seven lots are available via the southern phase. The area is very breezy and nicely enhanced by nearby upmarket homes. All utility services are readily available and the roads are already nicely paved throughout. The location is quite central with many shops, restaurants, the airport and south coast amenities just a short drive away. Do note that some of the photos shown are generally of the subdivision.
