

SOUTH VIEW LOT PHASE 1 - SEA VIEW - EXCLUSIVE

This lot is located in an elevated section of phase 1 in the very desirable South View community, which already has many upmarket homes completed and several more on the way. There are multiple neighbourhood parks within the breezy development, and this particular lot is quite flat and offers some sea views. High end neighbourhoods such as South Ridge and Fort George Heights are all in very close proximity, as is the Sir Garfield Sobers Gymnasium. The location is ideally close to supermarkets, shops and many other amenities nearby and a little bit further on the south coast. A great family-oriented location!
