FITTS VILLAGE TOWNHOUSES

Barbados

A wonderful set of six townhouses located within a two minute walk to the beach in the St. James area. These 2 bed 2.5 bath townhouses are approximately 1200 sq. ft of living area with a kitchen fully outfitted with wooden cabinets and granite counters. The living room flows onto a private patio with a plunge pool, ideal for dining. Just under the steps adjacent to the living room is a powder room. Upstairs are the two other bedrooms which have good cupboard space, ensuite bathrooms, ACs and ceiling fans. These townhouses have been well built and the entire property is fully enclosed with easy parking (one spot per unit) and electronic gate entry. All units are basically identical, except for the first unit which has two balconies off of the bedrooms. Great investment opportunity.
