

BELORI, ST. GEORGE, BARBADOS

Belori is a stunning 5-bedroom, 5-bathroom home being offered for sale fully furnished and offers stunning views over the countryside of Barbados. This wonderful property sits on a 15,800 square foot elevated lot in the St. George Valley and offers 6,500 square feet of covered space that has been expertly designed to create a perfect home.

Upon entering Belori you are taken back by the stunning views, bright natural light and high ceilings that make this property so unique. The main entertaining area features a large kitchen with island, built in seating and a bar which makes a perfect spot to mix a drink before having a seat on the covered patio. There is a more formal living area on the first floor which takes advantage of the cool breezes and panoramic views. All bedrooms feature air conditioning, ample storage and two of the bedrooms also have private garden enclosures perfect for enjoying a coffee and a book or taking a zoom meeting in the fresh air. The master bedroom also has an expansive private patio which affords views of the West Coast of Barbados.

Among a myriad of little perks and amenities throughout there is also a basement that offers additional storage and houses the backup water tanks.

Belori is also available for long term rental and the owner would consider putting in a pool for the right tenant.
