

CRYSTAL CREST GUEST HOUSE

Saint Michael, Barbados

Crystal Crest Guesthouse sits on 12,000 Sq. Ft. approx, and comprises of the main house containing 10 guest rooms and three bathrooms upstairs, with two (2) of the down stairs bedrooms en-suite. This main building contains 3213 Sq. Ft. and is in excellent physical condition, and is currently used by visitors to the island, especially persons from neighboring islands visiting to obtain Passports or Visas from Embassies here in Barbados. The second building or Apartment Block comprises four (4) rooms with a common kitchen and bathroom facilities which are rented weekly to guest staying longer or single persons. The third building has two (2) rentable bedrooms, sharing bathroom facilities. The Guest House is centrally located close to Bridgetown, Embassies, the Queen Elizabeth Hospital and a host of medical facilities in the Belleville area. It is being offered as a going concern and is fully furnished. Or the property can be used for other commercial purposes such as offices, a day care center, or as a retirement home for seniors. Given its proximity to numerous businesses, the property would be a perfect location for a Kindergarten or nursery school. The property offers unlimited business options, and the seller is prepared to entertain offers.
