

APES HILL A-3

 Saint James, Barbados

There is no finer canvas on which to create a luxury golf, leisure and residential community masterpiece than the site for Apes Hill Club. Enjoying a prime location at almost 1000 feet above sea level amongst a richly diverse landscape of rolling meadows, dense forest, and coral stone quarries, the Club and its splendid amenities are establishing a new standard of excellence in the Caribbean. The developers, with a shared passion for creating communities designed to preserve and enhance their natural environments, have risen admirably to the challenge. The 470 acres of land has been divided into eight neighbourhoods
