Description

Stunning property with loads of mature trees maintained in a park-like setting! Arrive on a long sweeping circulating driveway, this old plantation home was substantially updated and rebuilt in the late in 1970's and early 1980's with many modern features. The entrance is between the traditional double staircase of the original front house (now a studio) into a courtyard and through double French doors. The ground floor consists of large formal living room, dining room, recently updated kitchen, TV room and a semi-detached room with large spa/tub, wet bar, powder room and lots of space for informal gatherings. The upper floor has 3 bedrooms with the large master suite running from front to back of the house with a wooden tray ceiling. The en-suite bathroom contains a spacious walk-in closet, double vanity, and separate tub and shower. There are a couple out buildings suitable for a workshop, 1 car garage and 4 car carport - also a fernery, avirary/potting room, wood deck etc. This property is locate in a country setting yet conveniently 10-12 minutes from Warrens Commercial Center where there is shopping, banks, restaurants, supermarkets, offices etc.
