With your own Vanquish VQ54 boat and skipper, the open sea awaits. Why not explore the coastline, dropping anchor at some quiet coves or popping ashore to enjoy a picnic or lunch at a lovely beach-side restaurant

You also have the use of two chauffeured Mercedes GLE to whisk you off for a round or two of golf. Maybe some Duty-Free shopping in nearby Holetown or Bridgetown is on your 'must do' agenda. For those who enjoy delving into a bit of history, your drivers can show you the very best parts of Barbados that might be off the tourist trail.

For action a little closer to home, you have an equipped gym where you can work hard at keeping that toned physique in tip top condition.

For a much lighter touch, we can source some excellent masseuses or facialists who can deliver divine beauty treatments in your own spa space. Heavenly.
