

'WOODSIDE GREAT HOUSE', BAY STREET

Saint Michael, Barbados

Historic 'Woodside Great House' is a late 18th century two storey residence situated across the street from the gorgeous Carlisle Bay Beach and within the designated UNESCO World Heritage Area. The property offers a formal dining room, main living room with drawing room leading to the beautifully manicured gardens and a large family / games room. The kitchen offers ample counter top space and storage and there is a laundry room which provides additional storage. Upstairs are the 5 bedrooms with 2 full bathrooms,, two 1/2 bathrooms, two kitchenettes and spacious balcony overlooking the lovely gardens and with a view of the ocean. Attached to the main house is a two storey building of approximately 7,000 sq.ft which used to be a small hospital with doctors offices. Other features of this grand property include high ceilings, ornate moldings on the ceiling, security system, wrought iron grills and the grounds are enclosed. The UNESCO World Heritage area encompasses Bridgetown and the Garrison area.
