## GALVESTON, STRATHCLYDE

 Saint Michael, Barbados

Large traditional Barbadian 2 storey house offering 5 bedrooms and 2 bathrooms plus spacious living and dining rooms, kitchen, laundry/store room and large covered patios. There is also a detached building with a self-contained 1 bedroom, 1 bathroom apartment and large carport. The property consists of 2 lots totaling 18, 051 sq.ft of land and is fully enclosed. We understand that the planning department would allow the property to be used for professional office purposes. The building is in need of modernization and would benefit from repairs and upgrades. However, the property is quite large and offers good potential for re development given its location and size.
