

#356 PORT ST. CHARLES

This top floor two bedroom home is located on the lagoon-front overlooking the Sunset Isle The Caribbean. This home is called the beach house by the owners and has been recently been redecorated together with new furniture that lends itself to the lifestyle at Port St Charles.

The spacious master bedroom is beautifully decorated, with a large bathroom tiled in marble. This bedroom also leads onto the spacious terrace where you are able to relax and enjoy the view of the...
