

CAPRI ONE AT ROCKLEY, CHRIST CHURCH

 Christ Church, Barbados

Completed in 2015, Capri is a new contemporary designed apartment building of just five apartments located on possibly one of the best beaches at Accra on the south coast of the island.

Capri One consists of three bedrooms, three bathrooms with a powder room and is approximately 2,144 sq.ft. of covered area. The living, dining, open-plan kitchen, and two of the three bedrooms suites open to dramatic view of Accra Beach. Special features include central air throughout the apartment, a large ensuite bathroom and a spacious walk-in closet in the master room.

The building is completely secure and residents enjoy the use of the shared infinity-edge swimming pool overlooking the beach, a spacious well-equipped gym as well as a recreation room and beautifully decorated reception room. There is secure parking one space per apartment in the enclosed garage.

Capri is perfectly positioned close to all amenities on the south coast with restaurants and shopping just steps away and yet it feels secluded and private.
