

OFFLINE

SUN CITY TERRACE

 Saint Philip, Barbados

This newly built home has all you need for comfort. The house features an open plan living, dining and kitchen. The floors are porcelain , and the kitchen has granite counter tops. The bathrooms have modern fixtures, including a spa shower. The vaulted ceilings make this home very cool. There is a single garage with paving stones leading up the driveway. This house is walking distance to the beach and close to a leading supermarket.
