

CRYSTAL HEIGHTS - SANCTUARY

 Saint James, Barbados

Attractive three bedroom home for sale in the sought after neighborhood of Crystal Heights, Barbados. One of our favorite features of this home is the open plan living and dining area which borders the spacious and professionally designed Scavolini kitchen with centre island. This area is perfect for entertaining and features a double height ceiling accented by a staircase to the second level. The ground level also boasts a study, family TV room, laundry, large storage area or gym space and a guest bedroom and bathroom. The second level has a second study or small bedroom, another guest bedroom and bathroom, and the spacious master suite with walk in closet and en suite bathroom which has both a tub and walk in shower. There is a small terrace which could easily be expanded into the large back garden. There is also additional storage at basement level. This family friendly 'Sanctuary' is centrally located close to the Warrens hub and the many beaches and amenities along Barbados' West Coast.
