

BELLEVILLE

This office building is located in a prime location at the corner of 7th Avenue Belleville. Situated on a main artery, with high visibility, this location offers easy access to major transportation links and is within close proximity to Bridgetown and other business districts. The building has 3 levels (basement, ground floor and first floor) and sits on 11,810 sq.ft. of land. There are several bathroom facilities in the building and parking is available on the compound. The building can benefit from some renovation and modernisation but presents a great opportunity to purchase a traditional commercial property in a highly desirable location. E&OE
