

## OCEAN CITY

Teachn Song is an artist designed rustic Caribbean villa located at Ocean City, St. Philip on the southeastern side of the island. The house, with security grills throughout, is situated on a high cliff overlooking the ocean and is caressed by constant prevailing easterly breezes. This romantic location is ideal for those who require a measure of privacy, away from the hustle of night-life, therefore car rental is recommended. The interior of the house features coral stone walls and exposed beams. There are three bedrooms and two bathrooms, the master bedroom has a king-size bed and the other two bedrooms have queen beds. The pool is set on the edge of the covered patio. E&OE
