

YORKSHIRE GROVE

Sitting in an elevated location with a superb, panoramic view across the St. George valley is this beautiful large lot. Yorkshire is an attractive country setting with fine homes on large lots all benefiting from open country views and consistent island breezes coming across the valley. The lot slopes slightly towards the view and sits at the entrance of the development commanding one of the best views available. The surrounding area is adorned with ranch fences enclosing horse paddocks and spacious country homes spread across the development. It is truly an attractive development and location which is close enough to the south coast for easy access while enjoying enough distance from the hustle and bustle to offer a peaceful country setting.
