4 BEDROOM 2.5 BATHROOM FAMILY HOME, NEWTON TERRACE

This well built and well maintained 4 bedroom 2.5 bathroom family home is in a quiet cul-de-sac in the established neighborhood of Newton Terrace.

The paved driveway allows easy access either to the laundry room or the front door. There is a storage room in the covered two car garage. Entering via the laundry room, the spacious kitchen with built-in cupboards and decoran counters is adjacent. Next to the kitchen is a dining area, which opens onto a lovely covered patio. The L shaped patio has push out windows and gives easy access to the garden. The living room is also just in front of the dining area, and a half bathroom is on this level. On the upstairs are the four bedrooms. Two bedrooms are roughly 12x14 with the third being 10x12 and have AC units (two have ceiling fans as well). These three bedrooms share a bathroom with a shower and a tub. The master suite is large with a walk-in closet, ensuite bathroom and plenty closet space along with a balcony and AC unit.

The property is completely fenced, has a storage shed, burglar bars, insect screens, security system, water tank and compost.
