

GOBLIN HILL 6

 Christ Church, Barbados

This 7,774 sq.ft. of elevated home sitting on an elevated lot comprising 3 levels, including a top floor open roof deck is aggressively priced for quick sale. At the lower level is a 2 car garage, store room and laundry room. On the main floor, the house is accessed through the foyer, into the living and dining room, kitchen, family room together with a powder room, large patio and a study. The upper level houses 4 bedrooms, 2.5 bathrooms, 2 patios and the roof deck. The house sits on 10,109 sq. ft. (approx) and is located in a high income residential area adjacent to the Rockley Gold course and in close proximity to Accra and other surrounding beaches including St. Lawrence Gap for nightlife and an abundance of restaurants on the South Coast. This property comes unfurnished.
