APES HILL, HOLDERS MEADOW LOTS

 Saint James, Barbados

Over the years, Apes Hill Club has prided itself in providing quality homes that blend colonial history into a modern architectural design. On a spacious parcel such as the lots in Holders Meadow, homeowners can create a comfortable bespoke home ranging from two to five spacious bedrooms. From the second floor of your home you will get views of the east and west coast of Barbados to the Caribbean Sea.

The owners of the lots at Holders Meadow may choose any of the Apes Hill Club stock villa plans for construction to your tailored specification and requirements. Apes Hill Club offers a full property management service to all owners, including a rental service for those who require. However, the development is so much more than just a lifestyle investment.

Apes Hill offers a beautiful Club House with spectacular views to the ocean. A prestigious golf course, tennis, spa, and fitness centre.
