

MANGO BAY

 Saint James, Barbados

“ROYAL, GRAND, COLONIAL, MAJESTIC & ENCHANTING!”

Set in spectacular tropical gardens on a quiet beach beside the Caribbean Sea, Mango Bay has been described as one of the most beautiful houses in Barbados.

This colonial-styled natural coral stone home was designed by Oliver Messel and has been lovingly maintained. The tasteful, formal living room flows on to a gracious patio, inviting guests to linger over breathtaking views of the tropical gardens and the Caribbean Sea beyond. Paths lead to the charming dining gazebo on the seaside and to a picturesque lily pond. Guests may also choose to dine in the elegant dining pavilion with its beautiful coral stone table which seats fourteen and overlooks the swimming pool and garden.

This house features 7 bedrooms and 7 bathrooms spread across the property, in which one of each is nestled within the enchanting cottage located on the southern lawn.

This house comes fully staffed including night-time security.

Mango Bay is conveniently located in St. James, between Hometown and Speightstown, with the closest hotels being Glitter Bay and the Royal Pavillon just a five minute drive away. The world famous Sandy Lane, Royal Westmoreland and Apes Hill golf courses are also within a short drive.

Mango Bay is the ultimate villa for a peaceful, relaxing and perfect Caribbean holiday - a stay here is truly an experience to be remembered and repeated!
