Elysium is the ultimate choice whether you are an elite traveller, planning a dream vacation, honeymoon, wedding, corporate retreat or need a special place to join old friends for a true “getaway of a lifetime”. This property boasts a stunning design and modern furniture with contemporary local art adorning the walls. The dramatic centerpiece of the house is the 60ft infinity pool that creates a seamless blend between the property and the vast expanse of ocean and sky. The villa sits on a beautiful ridge and is a short trip to nearby beaches & popular amenities.

The large wooden front door of the villa leads to an amazing interior of natural coral stone walls, wooden floors, and is lovingly furnished with custom made furniture imported directly for you from Indonesia and Bali. Elysium has wonderful local art in each room and other special Caribbean influences and decor.

The spacious formal living room features handmade Balinese stone carvings and opens up to an outdoor terrace complete with a large infinity-edge pool and uninterrupted views of the Caribbean Sea.

Elysium's extensive pool deck transforms into a magical private setting at night and is perfect for cocktail party with friends, an intimate rendezvous or simply for stargazing.
