

LION CASTLE PLANTATION

 Saint Thomas, Barbados

Lion Castle Plantation is quintessentially Barbadian with 140 acres of rolling fields, fabulous views and true “old world” charm.

The great house is in immaculate condition and sits on a two acre parcel surrounded by the lands of the plantation. The main drive to the plantation is flanked on either side by a row of Royal Palms, the traditional marker of a plantation home.

The main house offers 4 bedrooms and 4 bathrooms. With a traditional wrap around patio that leads out to the pool and outdoor living area, the house is perfect for entertaining any number of guests.

The mahogany floors, high ceilings and spacious rooms add to the grandeur of the home.

A three bed “manager’s house”, a revated outbuilding with 2 rustic apartments, horse stables and a polo field complete this amazing estate.
