## CASAMER

 Saint Philip, Barbados

Spectacular three bedroom, three bedroom home with large studio apartment situated on a cliff in the parish of St. Phillip, affording stunning 180 degree infinity view of the coastline and ocean. Located at the end of a cul-de-sac with constant cooling breezes this home is ideal for persons looking for privacy, tranquility and an astounding measure of beauty in the surroundings. The studio apartment has a covered patio facing towards the cliff and also offers wonderful views. The wrap around verandah is cantilevered off the open plan split level living/dining area and has a plunge pool/Jacuzzi. There are glass doors around the living room allowing for wonderful views of the ocean while indoors. The kitchen has ample cupboard space and opens onto the dining and living areas where bar stools allow for sitting at the kitchen counters. An enclosed laundry closet is part of the kitchen. Enter the home by way of a gracious curved stairway into the living room with majestic high ceilings and riveting views of the ocean. The centre piece of the home has a structure bearing a mural by renowned local artist depicting underwater life. All bedrooms on the eastern side of the home are accessed by a corridor. The master bedroom is at the end of the corridor and has an en-suite bathroom, a large walk-in closet and its own balcony facing the ocean. The other two bedrooms share a bathroom located in the corridor. The ground floor has a studio apartment with a deck facing the ocean and a two car garage. The home is ceramic tiled throughout and is fully fenced. This property is fully fenced, has an electric entrance gate and a pedestrian gate and a water tank with pump.
