## CLARISTON

Christ Church, Barbados

A traditional island style beach house set in a quiet beach side neighborhood in walking distance to all amenities such as banks, restaurants, grocery stores, night life, beaches and more. Clariston is just steps away from the beach which makes up for it not having a view of the beach but allows it to be priced reasonably. This property is a very popular rental. All bedrooms are air conditioned and each one has a safe. The master bedroom has a queen bed and second bedroom a double with the third bedroom having two single beds. There is a small deck to the side of the house. This is a great house for families or groups of 6 persons. Very user friendly. Crop Over: US\$260/night - July 29 - Aug 7 \*N.B: Room tax of 10% is applicable\*
