MAPLE GARDENS

Christ Church, Barbados

A beautifully renovated 2nd floor condo situated across the road from the beach in the heart of the south coast. On the main level an elegant kitchen complete with granite countertops and a formal dining area flows to an open plan living room. This extends out to an elevated and sheltered patio which overlooks the sizable shared swimming pool and garden below, as well as offers partial views to the sea. Also on the main level are the two main bedrooms with the master having an a/c, walk-in closet and an en suite bathroom with a bathtub. The other bedroom has built-in cupboards and a fan. This second bedroom and the loft share a bathroom which has a bathtub. Upstairs there is a sizable air conditioned loft bedroom, with an adjacent open area ideal for a home office. In addition to the high end finishes, this particular unit is nicely enhanced with high ceilings, and benefits from being set back somewhat from the main road. There is a private exterior laundry just outside the front door offering a separate washer and dryer and some additional storage area. The building is conveniently secured with an intercom system to gain entry. Numerous shops, restaurants and other amenities are all but a short walk away! A one time cleaning fee of \$50 USD is collected at booking. The fully equipped unit has Wi-fi, cable tv, local phone calls, microwave, electric kettle, washer and dryer, coffee maker and toaster. *N.B: Room tax of 10% is applicable*
