

CARRINGTON

Saint Philip, Barbados

Carrington is one of the privately-owned bungalows in the lushly-landscaped Castle Close is available for short-term rental and is also on the market for sale. It features a living and dining area with a peaked ceiling, a fully-equipped kitchen, and a patio edged with tropical flora. A separate bedroom wing, located across a covered breezeway, includes two identical bedroom suites, each with a dressing area and bathroom but with their own decor. Air-conditioning units are provided in each bedroom but are seldom required, as cooling breezes waft through the villa day and night.

Carrington has its own large pool. A delightful gazebo is positioned to one side of the pool deck where guests may sit in the shade and enjoy the view overlooking the beach and ocean. There is also a staircase that leads directly down to the secluded, palm-shaded beach that lies below the Castle Close area.

Daily maid service is provided at Carrington. For guests who wish to take meals at their bungalow, arrangements can be made for a cook to provide local cuisine.

Security is also provided in the Castle Close Complex between 7pm and 5 am daily.
