OCEAN BREEZE

Barbados

Ocean Breeze is a beautiful 4 bedroom, 3 bathroom oceanfront villa with stunning views of the turquoise sea, nestled in a quiet neighborhood in St.Philip. Three of the bedrooms are on the eastern side of the house and therefore subject to wonderful sea breezes off the Atlantic Ocean. The fourth bedroom is located on the western side of the villa and is air-conditioned. The large covered verandah with bar and informal dining is the perfect location for watching the spectacular sunrise or to enjoy cocktails as dusk falls in the evenings. This verandah leads onto the pool and pool deck which both afford wonderful views of the ocean directly infront of this villa.

Postcard worthy beaches are just minutes from Ocean Breeze, as well as the famous Crane Beach and Resort. Nice restaurants and grocery shopping are just a few miles away. The sunrises, ocean breeze, waves crashing and salt air bring peace and tranquility. Your stress will melt away during your stay at Ocean Breeze.

Daily maid service is included and on request, and for an additional fee, arrangements may be made for a cook to prepare local dishes for you to enjoy.
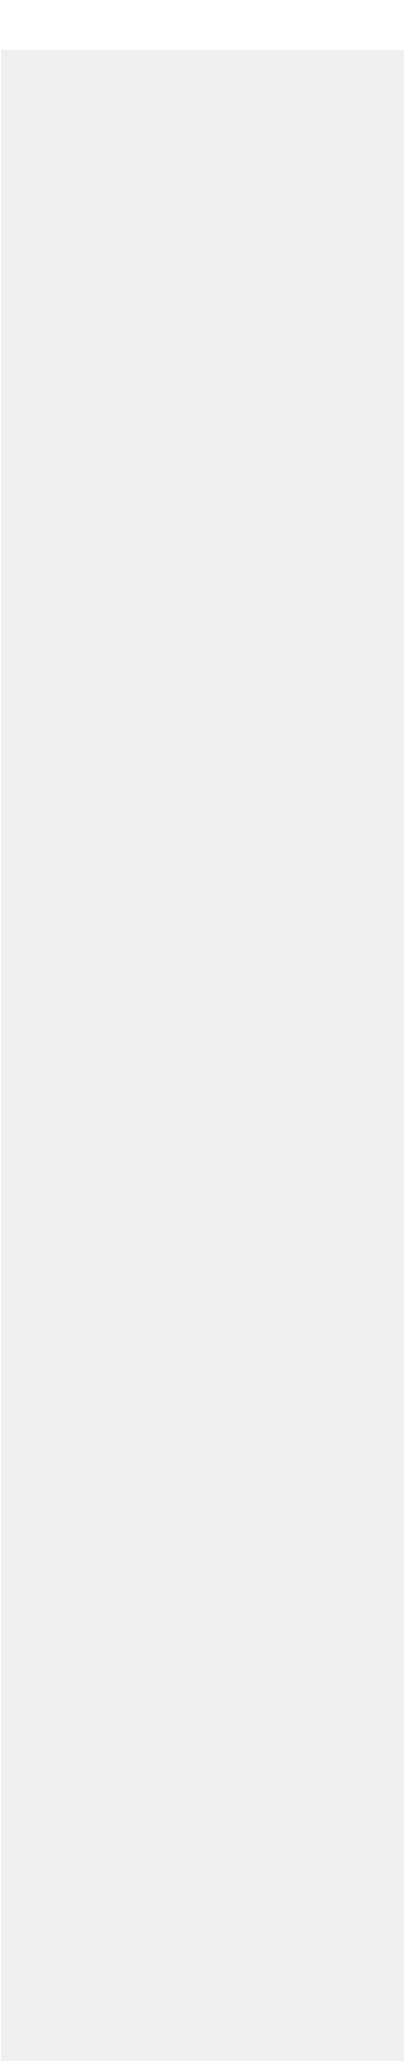

More Information
