

## WATERHALL TERRACE 58

Barbados

Beautifully presented detached family home, located in a mature neighbourhood, close to Apes Hill and Highway 2A. The owners have renovated the entire property in 2008. The main living spaces benefit from an open plan layout with terraces off most reception rooms and has coral rendered walls. The property has 3 bedrooms (one currently utilized as a study) on the ground floor, and an impressive master suite that takes up the entire first floor. There is also the benefit of a self-contained one bedroom apartment located on the basement level with it's own entrance (ideal for short or long term rental).
