

TURTLE TOP, MAXWELL

 Christ Church, Barbados

Amazing sea views. Modern updated beach front apartment on upper level (only 1 of 2 apts. in the building). Tastefully decorated and fully furnished, this is a rare find with very large porch overlooking a beautiful, and quiet, South Coast beach - turquoise ocean beyond & stunning sunsets. This is a 3 bedroom 3 bath (split bedroom plan) spacious apartment with large kitchen, lots of modern cabinets, fully equipped with large fridge, wine chiller, stove, oven and seperate wet bar all with granite counter tops. Walk right out onto a powdery white sand beach. Use the brick patio for BBQs and entertaining. Like paddle boarding, windsurfing or just relaxing in the calm waters, this is an ideal place to come home to and enjoy a sundowner on the porch.
