

FITTS VILLAGE, ST. JAMES

 Saint James, Barbados

This lovely property is located on the west coast and is close to all the amenities including supermarkets, restaurants and the beach. Public transportation is within close reach and because of the location this property offers magnificent views of the ocean. The property of itself consists of 4 bedrooms (2 ensembles), four bathrooms and one powder room. There is a spacious, fitted kitchen and adjacent washroom. There are two additional rooms which can be used as an office and recreational room. The pool area is fabulous as it would be great for entertaining. A must see. Give us a call today for viewing.
