402 PALM BEACH

Barbados

Welcome to your perfect vacation home! Palm Beach Condominiums is unlike any other residential/vacation complex in Barbados. Set away from the busy road with direct access to the beach, the complex includes many longterm residents as well as holiday-makers who all enjoy the family-friendly, relaxed and private atmosphere. Mature almond trees provide ample shade on the wide, white-sand beach, perfect for bar-b-cueing with friends and family, or for just taking in the crashing waves of the aquamarine sea. The triple-tiered pool can accommodate all swimmers from bobbing babies to languorous loungers. Towering over the pool are rare mahogany trees that were preserved during the transition from family-owned estate to exclusive residential/vacation complex. 402 Palm Beach offers a unique holiday experience that will have you coming back year after year. Floating above the lush gardens with a deep, shaded porch, this fourth-floor unit is ideally situated for jaw-dropping views of the beach, pool and gardens with effortless elevator access from the car park...which is greatly appreciated when wheeling in luggage or toting groceries! Review the list of amenities and features below and if there is anything that you may need for your stay please let us know and we will try our best to accommodate you.
