

## FORT GEORGE HEIGHTS, OASIS

 Saint Michael, Barbados

Oasis is an elegant 4 bed, 3 bath home with pool in the well-established neighbourhood of Fort George Heights.

This architect designed home is quintessentially West Indian – spacious and open plan, allowing cool breezes to flow through the home. Oasis features travertine tiles throughout as well as a custom built kitchen with Mahogany cupboards, “rainforest” granite counter tops and stainless steel appliances. A spacious media / family room can be found just off of the kitchen.

All 4 bedrooms are well appointed and located on the northern side of the house. This wing, which also features an air conditioned study, can be entirely closed off from the living and dining areas of the home.

All 3 guest rooms are fitted with ceiling fans while the master room has both a ceiling fan and AC unit.

The master room has a walk in closet, en suite bathroom and a small terrace sitting on the edge of the main courtyard – a perfect area to enjoy a morning coffee or a sunset cocktail.

Oasis is an ideal home for entertaining. The large living area opens on to both the central courtyard with pool as well as the eastern patio where the garden forms a beautiful backdrop. In addition, there is a charming gazebo, complete with gas bbq, just off of the courtyard.

The 1 acre lot is dotted with many mature fruit trees including mango, lime, sour orange and cherry trees.

A basement area houses the water tank, garden equipment and a staff bathroom. It is also the perfect area for storage of recreational equipment.

Centrally located just minutes from all the amenities of the south coast including the gymnasium, shopping, restaurants and the beach.

Offered furnished. Includes pool and garden maintenance.

Available from December 1st 2022.
