

CALABASH, POLAMAR GARDENS

 Saint Peter, Barbados

Calabash is a unique tropical style home within easy walking distance of Mullins beach and Gibbs beach on the beautiful West Coast of Barbados. Built as two self-contained apartments, Calabash is currently arranged as a two-bedroom home with living area, ensuite bedroom and verandah on the upper level; and ensuite bedroom, store room and covered terrace at ground level. Push out shutters and shady covered areas add to the appeal of this attractive house. Offering a high degree of privacy but not isolated, the 7000 sq.ft plot is at the end of a private cul-de-sac adjoining protected gully land. Calabash has fibre-to-property broadband, solar water heating, AC, gas and water storage. Calabash has been a successful rental property and offers potential for further development. The house is offered full furnished and ready for you to move in.
