### THE GROVE - 2 BEDROOM AT MULLINS

A newly renovated two bedroom, two bathroom condo located on the West Coast neighborhood of Mullins, just a short 5 minute walk from beautiful Mullins Beach. This groundfloor condo is complete with modern furnishings and appliances and has a wooded backyard, which offers privacy and a serene environment. Large sliding doors open onto the front landing and the back patio allowing for natural lighting, making the living space bright and breezy. Both bedrooms are air conditioned and the master has a spacious en-suite. For those that still have to work remotely or need a quiet space, there is a spacious study off of the main living area which also has a pull-out couch. Mosquito nets have been installed on all windows and there is a shared laundry facility located on the western side of the building for your convenience. There is also the option to rent this unit with the use of a car, in which case the rental rate will be additional.

This property is also available for extended short-term stays starting at USD3000.00 plus 10% levy per month.
