Have I “awakened” the Developers love of lands to leave your impressions on Nature?

These lots can be sold separately or bought as one unit for a saving value of USD\$285,000

The unique HISTORY of Millwall Moncrieffe

The Moncrieffe Mill Property is located at an elevation of 560' at the SE corner of the St. John plateau, which overlooks the East coast of Barbados and which, further inland, rises to over 800' making it the second highest plateau in the island. The East to West trade wind of this latitude blows from the coast of Africa, across 2000 miles of Atlantic Ocean, until it makes its first landfall at the East coast of Barbados.
