

PARNASSUS AT SANDY LANE

Saint James, Barbados

Parnassus at Sandy Lane is high end Barbados real estate which sits on a 2.18 acre ridge front lot. This lot is located above the Sandy Lane Golf Course and is in a ideal location for a developer s dream. A three bedroom cottage can be accessed via its own entrance. Since there is separate access, the cottage could be upgraded and rented on its own to the main residence.

In addition, the main plot at this high end Barbados real estate also has its own private driveway. The driveway then takes you up to the elevated position. Parnassus at Sandy Lane is a large plot which includes a 5 bedroom, 2,800 square foot single story coral stone villa. This villa could be upgraded, developed or extended. As a result of the property s location, the addition of a 2nd floor to the residence would make a sea view very possible.

Sandy Lane Estate is within walking distance to West Coast beaches and Sandy Lane Beach. Luxury lifestyle shopping at Limegrove is also nearby.
