Architecturally designed to facilitate seamless flow between indoor and outdoor living. Each villa will have its own solar water heater, photovoltaic system and rainwater collection tank.

Each luxury villa is positioned on a plot of approximately 5,450 square feet offering either 3 or 4 generous double bedrooms and 3 or 4 bathrooms respectively. The 3 bedroom villas are arranged over 1,800 square feet of covered area while the 4 bedroom option extends to 2,195 square feet of covered space with dedicated exterior patio space of approximately 1,000 square feet for either configuration.

Entertaining will flow seamlessly from within the villa to the covered dining area and onto the deck surrounding either the 14 or 20 pool.

The villas are situated in St James, known as the 'platinum coast' of Barbados, with beautiful beaches, excellent dining, a range of amenities and several golf courses a stones throw away
