## COVE SPRING HOUSE

 Saint James, Barbados

Cove Spring House is one of the most luxurious beachfront villas in the Caribbean.

Enjoying an idyllic cliff-top position on the prestigious Platinum West Coast of Barbados, this luxurious 10 bedroom estate boasts breath-taking panoramic views of the Caribbean Sea.

Comprising approximately 20,000 sq. ft. of living space, Cove Spring's beautiful architecture is complemented by sophisticated interior designs and haute-couture furnishings, creating inarguably one of the grandest villas in Barbados.

Set within 1.3 acres, Cove Spring House was designed using coral stone, denoting the hallmark of Caribbean aristocracy. Its Palladian/Georgian open-architecture brilliantly captures the inherent beauty of the island, maximizes natural light and allows the trade winds to cool the home.

There are 7 spacious bedroom suits in the main house with an additional 3 in the separate guest cottage.

There is also a media room, a state-of-the-art fitness centre and a commercial grade kitchen.

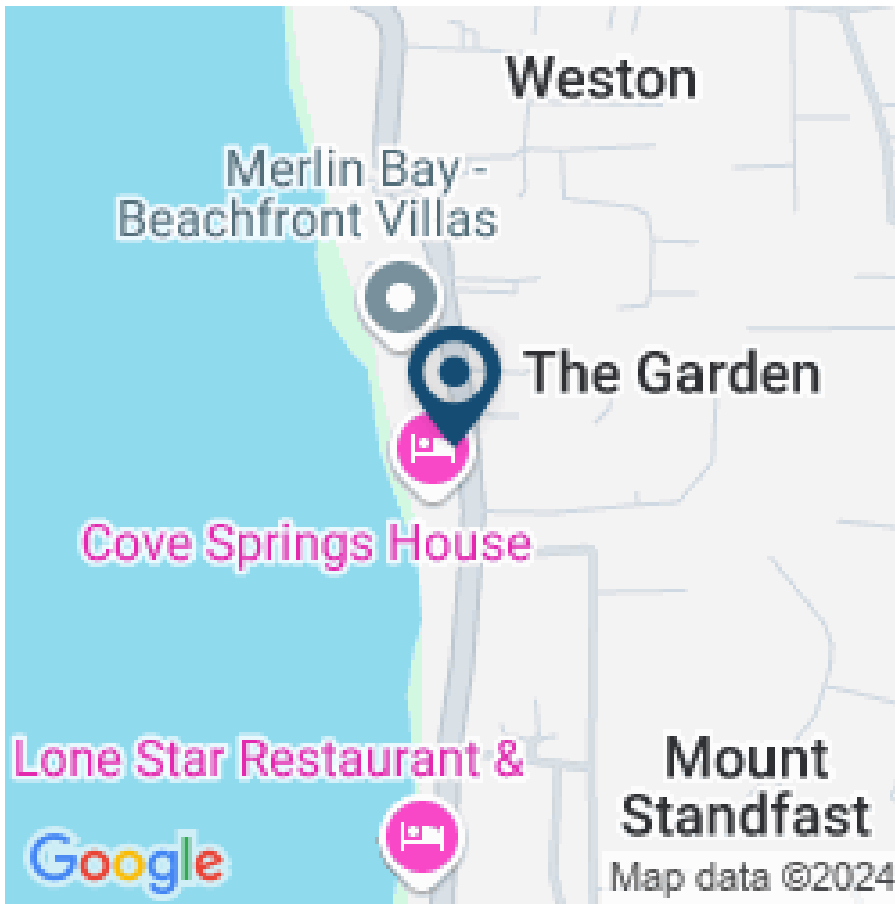

Designed for outdoor living so typical of the Caribbean lifestyle, most rooms boast wide verandas opening on to the expansive patio with the free form pool and Jacuzzi and to the stunning sea views beyond. At the base of the cliff is a secluded beach with private access only from the villa.

The property is surrounded by lush tropical gardens providing complete privacy and serenity.

Cove Spring house is ideally positioned mid-way between the historic Holetown and Speightstown offering a wide array of world class restaurants and luxury boutiques.
