

BEND LAND, ST. JAMES, BARBADOS

Saint James, Barbados

For Sale - 'Bend Land': Your Dream Beachfront Property in Barbados

Nestled along the pristine shores of the West Coast of Barbados, 'Bend Land' emerges as a rare and exceptional opportunity for those in pursuit of beachfront perfection. This remarkable parcel of land spans an impressive 14,725 square feet, making it one of the few remaining beachfront lots of its kind in the area. Located in the idyllic Weston, St. James, this property epitomizes the essence of beachfront living and presents a canvas for your dream coastal retreat.

One of the standout features of 'Bend Land' is that it comes complete with approved plans for an exquisite five-bedroom villa. This translates to a seamless transition from acquisition to realization, as you can embark on building your dream home within days of finalizing the sale. This not only saves you precious time but also ensures that your vision can take shape without delay.

Strategically positioned just a short 5-minute drive from Holetown and a mere 10 minutes from Speightstown, 'Bend Land' offers unparalleled convenience. This means you can indulge in a diverse range of activities within minutes of your doorstep. Whether it's a day on the greens at the prestigious Royal Westmoreland Golf Course or a gourmet dining experience at The Tides restaurant, you can easily access all the charms and attractions of the region while effortlessly retreating to your piece of paradise afterward. Beyond its unbeatable location, 'Bend Land' also boasts proximity to the vibrant heart of Holetown, where you can explore a rich tapestry of upscale shopping, fine dining, and cultural experiences. Speightstown, with its historic charm and local character, adds another layer of appeal to this exceptional location.

To take the next step towards owning 'Bend Land,' we invite you to get in touch with our dedicated sales team today. Contact us at info@realtorslimited.com or dial +1-246-537-6930 to schedule a site visit to 'Bend Land' or to obtain comprehensive information regarding the design plans.
