

VALLEY VIEW LOT 101 ROSEDALE DESIGN

 Saint George, Barbados

Valley View Development is situated in the scenic parish of Saint Thomas in an elevated countryside location and enjoys a panoramic view of the island along with cool breezes.

The neighbourhood comprises of 37 three-bedroom, Plantation style inspired designed homes, in a private gated community with beautiful landscaped gardens. All utilities are underground and the homes are outfitted with appliances.

There are five house designs to choose from with charming hooded windows, coral rendering and Barbadian style woodwork along with patios. All homes have covered entrance porches while the living and dining rooms are open-plan with French doors onto the patios, many of which have outstanding views of the countryside and the island. The kitchen is well designed for functionality with access from the dining room to the kitchen. The ensuite master bedroom is spacious with walk in closets and the other two bedrooms share a bathroom.

The development is located in a very central location, with very short drive from amenities, restaurant and shopping in Warrens and Holetown.
