

GIBBS LOT #15 - !/2 ACRE OF LAND ST. PETER

Barbados Land Sales USD 190,000.

Land Area 22,366 square feet

Land Area Net 19,442 square feet

The land size of 22,366 square feet parcel of land is located in a prime residential neighbourhood of Gibbs Lot 15 in the parish of St. Peter. The ridge lot #15 slopes downward to the road and has a good elevation with Ocean Views of the West Coast and Gibbs Beach. This half acre of land is opportune to construct a villa or a two apartment building as it is adjacent to a modern 8 apartment establishment.

Gibbs Beach is a 10minute walk from the location and is within a 5 minute drive to all amenities and beach activities, restaurants and a short drive to Speightstown which is quaint and provides some interesting historical facts.
