

CANE GARDEN PARK

Saint Thomas, Barbados

View Video Below.

This immaculately maintained 4Bd 2.5Bth house is very well appointed. The main entry leads into a living room. Towards the end of the hallway is a family room and kitchen which lead out to the rear patio. On this level there is an external exit into the enclosed garage.

On the first floor are two bedrooms just off of the landing which share a full bathroom with shower. The master bedroom is quite spacious and comprises his and hers walk-in closets and an ensuite bathroom with separate jacuzzi and shower. From the patio of the master one can enjoy views overlooking the backyard and countryside.

On the lower level there is a lounge accessible via stairwell from the kitchen and this lounge can be converted into office space or a media room and opens out into the back yard which is ideal for entertaining as it comprises a gazebo.

The property is fully enclosed with automatic gates, automatic garage doors, a security system and insect screens.
