Located on a corner lot in this fast-developing neighbourhood, this 3Bd 2Bth property is very well appointed. The main entry leads into an open plan living, dining and kitchen area. The kitchen is off to the left and has a laundry nook in the corner. The living and dining area open out to a covered terrace which was a recent extension.

There are two bedrooms which share a bathroom; one of the bedrooms is currently used as a playroom and the master bedroom is towards the rear with an ensuite bathroom with shower. The property is fully enclosed and well landscaped.

The advantage of this property is that it already comprises a 6 panel photovoltaic system which helps significantly in the reduction of the electricity bill.
