OFFLINE

MULLINS VIEW | 4 BED 4 BATH TOWNHOUSE IN MULLINS BAY

Mullins Bay is a gated community located across the road from Mullins Beach, This much sought after development was built in 3 stages, Mullins View (Townhouse 14) was built in the third stage making it one of the younger properties on the development. Boasting 2 communal pools and direct access to a boutique wellness centre, Singita Wellness which offers several spa treatments, wellness classes and a new cafe! Mullins Bay also has 24/7 security.

Mullins View is a spacious four bedroom, four bathroom villa furnished to a high standard with ocean views from the upstairs bedrooms and terraces. With travertine floors throughout and high end furnishings and fixtures this villa will provide for a luxury vacation home to enjoy and rent out short term when not in use by the owners.

The lower level consists of the air conditioned indoor living area with comfortable seating and internet TV which leads out to the al fresco living and dining area cooled by ceiling fans & curtains. On the other side of the living room is the modern kitchen with high end appliances where you can indulge your inner gourmet creativity or if you prefer have a cook come in to prepare your meals (we know some local chefs, should you want to learn more). Sip on cool cocktails on the wide patio or top up your tan on the luxury sun beds on your private sun deck. A gate leads directly from the sun deck to an extensive freeform pool with a soothing waterfall feature, the largest of two pools that Mullins View shares exclusively with 7 other townhouses. Mullins View is one of only four that fronts onto the largest pool.

On the second level you have two bedrooms with two bathrooms and terraces for each bedroom. On the third level is the fourth bedroom which is the master with King bed and ensuite bathroom. Access to the large sun deck from here offers spectacular views.

With a great rental income already in place, you can own a holiday home and not have to worry about the upkeep!

2,600sqft. Floor Area
