

GOLF CLUB ROAD, ROCKLEY, CHRIST CHURCH, BARBADOS

 Christ Church, Barbados

This wonderful property is located along Golf Club Road on the South Coast of Barbados and offers 4,000+ square feet of land perfect for a small block of apartments, doctors office or private residence. The lot has an existing chattel house on the site, it needs repairs but would be useable after some internal renovations.

There are many amenities within walking distance including Worthing Beach, Massy Supermarket, St. Lawrence Gap and much more as well as a major bus route along Highway 1 and transport available on Golf Club Road itself. The property also sits on the outskirts of the Rockley Golf Course and would be a great spot for a new owner to build an Airbnb or short-term rental home.
