 Christ Church, Barbados

Large 3 bedroom 2 bathroom room fixer-upper home in the well-established neighborhood of Graeme Hall. This home sits on a large lot and has much to offer, including the main house with a basement unit which can be an in-law suite or office and a separate cottage. The entry leads into the living and dining area, which also has a den that leads to outside. The kitchen is accessed either from the dining area or via the hallway leading to the bedrooms. There are two bedrooms which share a bathroom, and then going up a couple of steps you enter the master suite. The master suite has a large closet, ensuite bathroom and small patio.
