

VALCLUSE, COUNTRYSIDE #15, ST. THOMAS, BARBADOS

 Saint Thomas, Barbados

Welcome to #15 Countryside. This spacious, two-storey home with a basement apartment, sits on 40,821 sq. ft. of land, with well-maintained and mature gardens, offering impeccable countryside views. With automatic gates and a long driveway, this property offers a grand entrance that is sure to impress. A definite must-see!

The main floor features a large kitchen and open-style living and dining area, which leads on to an expansive wrap-around covered patio - perfect for entertaining! Being elevated on the ridge allows for uninterrupted views and a steady breeze, which pours through the home. Also on the main level is an office, guest bedroom with ensuite bathroom and built-in vanity, as well as a separate guest bathroom. Upstairs are three additional bedrooms, including a large master suite, which features two separate walk-in closets, an ensuite bathroom outfitted with a double vanity, jacuzzi and standing shower, as well as a private balcony off the main sleeping area. The other two bedrooms share an adjoining bathroom and one is outfitted with AC, along with the master.

Accessed via a separate entrance, is an additional apartment or guest bedroom below the main level of the home. While it is currently set up as a studio with the sleeping area and living space as one, there are two additional rooms on this level (one with plumbing), which lends to an easy conversion into a self-sufficient unit. There is also a completed bathroom and facilities for a walk-in closet on this level, which is fully AC. In the double car garage, there are two storerooms to the back, as well as charging facilities for an electric vehicle. The washroom also has its own bathroom and is located to the side of the garage, with easy access to the main level of the home.

In addition to being fully enclosed, the home is also outfitted with burglar bars and an alarm system for added security. If needed, there is also a separate fenced-in area suitable for dogs.

Although it is being offered unfurnished, the current furniture can be included as a package at an extra cost, if desired.
