

DAIRY MEADOWS #21

Saint James, Barbados

Dairy Meadows #21 is a delightful 3 bedroom, 2.5 bathroom located above the Sandy Lane estate and Holders. It abuts a famous golf course on the Sandy Lane estate. All the amenities of Holetown and the west coast beaches are within easy reach.

This is a meticulously designed villa with contemporary finishes. It sits on 12,344 square feet of land, in a high valued neighbourhood. The property is surrounded by gardens to the front and rear of the property. As you walk out through the main terrace doors, you enter a lovely terrace. This extends onto a private pool deck which has a 23 X 12 pool. There is also a small jacuzzi and a gazebo. It is a great spot for sunbathing.

The villa is located in a private and peaceful neighborhood. It is a special haven for those seeking a serene, quiet spot. Designed with a modern feel, the house offers high ceilings throughout. The glass balcony finishes add to its ultra-modern decor.

The property is a smart home that has been outfitted with smart devices which control the lighting and music system throughout.

The villa provides 3,479 sq ft of covered living space inclusive of the covered carport.

The master bedroom is en-suite. The remaining guest bedrooms share one bathroom. All bedrooms have closets.

The property is fully enclosed with remote controlled electronic gates. Adequate parking is available.

The house was designed to function as a home as well as a high rental earning investment vehicle. It includes quality finishes throughout, including various touch storage cabinets which have been cleverly outfitted.

Dairy Meadows 21 is a wonderful house for entertaining. It benefits from comparably low running costs. Whilst it is located in an established high end neighbourhood it does not carry the overheads associated with an area like this.
