

DRIFTWOOD 3 BEDROOM POOL, CLOSE TO MULLINS BEACH

Within walking distance to the famous Mullins Beach, Driftwood is a stunning 3 bedroom, 2 bathroom villa with its own pool and spacious deck. The open plan layout makes for a great holiday rental and the location is really the highlight, with it being a 5 minute drive to Speightstown and a 10 minute drive into Holetown.

This villa sits on one level with a full kitchen to enjoy preparing meals, a comfortable living space and another cosy space to enjoy TV after a long day in the sunshine! The open plan leads out onto the deck where you can enjoy the relaxing island breeze on the searing area, enjoy al fresco dining and go for a dip in your private pool. The gardens are also a great place to enjoy some playtime with the kids.

The master bedroom has a queen bed and is ensuite with a large bathroom. The other two bedrooms have large double beds and share a spacious bathroom down the hall. The villa has wifi and air conditioning throughout with ceiling fans.

We offer a shopping service on request to have the kitchen stocked to your taste on arrival. We can also organise private chefs to come and prepare meals for you, just get in touch to learn more. This is a non smoking property. Some beach toys are available in this villa and a fully enclosed garage is great for storing your luggage during your stay.
